

## REAL Call to Action

To respond to the current racial and ethnic tensions, NLC encourages local elected officials to issue a statement or formal resolution affirming your commitment to the values of equity, fairness, inclusion, and justice.

See below for sample text from our partners at the [Government Alliance for Race and Equity](#):

- We believe in and stand for values of inclusion, equity, and justice. We condemn islamophobia, racism, sexism, and xenophobia in rhetoric or action.
- We welcome all people and recognize the rights of individuals to live their lives with dignity, free of discrimination because of their faith, race, national origin or immigration status.
- We will continue our work in making our services and programs accessible and open to all individuals.
- We believe in the public sector for the public good. Advancing equity and inclusion is critical to the success of our communities and our nation.

Please share your statements and resolutions with us! Email them to [real@nlc.org](mailto:real@nlc.org) and [jnelson@thecsi.org](mailto:jnelson@thecsi.org)
