

## **Congressional City Conference**

### **Key Take-Aways**

**NLC University – The Role of City Leaders in Public Sector Retirement**

**Saturday, March 11, 2017**

**2:00 pm to 5:00 PM**

**Presenters: Keith Brainard and Jeannine Markoe Raymond**

- **Understand the public sector retirement landscape: its size and scope, how this community is governed; the different types of retirement plan designs and benefit structures in place; and how plan types are used to accomplish key human resources objectives.**
- **Know how public pension plans are funded, the role of actuarial assumptions, the challenges created by lower expected investment returns, and key facts about public pension reporting and disclosure.**
- **Learn how public pensions have evolved in recent years; and the type and magnitude of pension reforms implemented recently.**
